

Its Christmas time again...

It is time to give and receive. Most wonderful gift given to us is the Love of God - Jesus Christ. We have received Him as the gift of God, and we know this GIFT has made the difference in our lives.

This Christmas as you remember the birth of the Greatest Gift ever given. What will be your gift for Him? During this Christmas as you think of giving gifts to family and friends, prayerfully consider a generous gift for the Lord Jesus. Your contribution to any one of these projects will be a gift to the Lord and His work here in Fiji. Thank you and God bless you and continue to prosper you.
